Explanation of Responses:

- These phantom shares vested on December 31, 2014, and will be settled in an equivalent number of shares of MFA common stock on the earlier of termination of service with MFA or January 4, 2016.
- Each phantom share represents the right to receive one share of MFA Financial, Inc. common stock.
- These phantom shares are scheduled to vest, subject to forfeiture, on December 31, 2016, and thereafter will be settled in an equivalent number of shares of MFA common stock within 15 days following the vesting date.
- These phantom shares are performance-based equity awards. The number of phantom shares reported represents the target number of phantom shares granted. The number of underlying shares of MFA common stock that vest and that the recipient becomes entitled to receive at the time of vesting will generally range from 0% to 200% of the target number of phantom shares granted, subject to the achievement of a pre-established performance metric. The vesting of these phantom shares will generally occur on December 31, 2016, based on MFA's total stockholder return for the three years then ended. The number of phantom shares to vest will be adjusted to reflect the value of any dividends paid on MFA common stock during the vesting period in respect of the number of phantom shares that ultimately vest. The phantom shares will be settled in an equivalent number of shares of MFA common stock within 30 days following the vesting date.
