PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD MAY 23, 2002

This Proxy Statement is being furnished in connection with the solicitation of proxies by, and on behalf of, the Board of Directors of America First Mortgage Investments, Inc., a Maryland corporation (the "Company"), for use at its 2002 Annual Meeting of Stockholders to be held on May 23, 2002 (the "Annual Meeting") at the Four Seasons Hotel, 57 East 57th Street, New York, New York, at 10:00 a.m., New York City time, or at any postponements or adjournments thereof.

Stockholders are requested to complete, date and sign the enclosed proxy card (the "Proxy") and return it in the postage-prepaid envelope provided.

Valid Proxies will be voted as specified thereon at the Annual Meeting. Any stockholder giving a Proxy in the accompanying form retains the power to revoke such Proxy at any time prior to its exercise by delivering to the Company a written notice of revocation or a duly executed Proxy bearing a later date or upon request if the stockholder attends the Annual Meeting and chooses to vote in person. Any notice of revocation sent to the Company must include the stockholder's name and must be received prior to the Annual Meeting to be effective. If a Proxy is properly signed, returned without specifying any instructions and not revoked prior to the Annual Meeting, the shares represented by such Proxy will be voted FOR the election of the nominees to serve as Class I Directors until the 2005 Annual Meeting of Stockholders and FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2002.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the Proxy are first being sent to stockholders on or about April 17, 2002.

ANNUAL REPORT

This Proxy Statement is accompanied by the Annual Report to Stockholders of the Company for the year ended December 31, 2001, including financial statements audited by PricewaterhouseCoopers LLP, the Company's independent auditors, and their report thereon, dated March 12, 2002.

VOTING SECURITIES AND RECORD DATE

Holders of shares of common stock, par value \$0.01 per share (the "Common Stock"), of the Company will be entitled to one vote for each share of Common Stock held of record at the close of business on April 1, 2002 (the "Record Date") with respect to the election of two Class I Directors to serve on the Company's Board of Directors for a term of three years, the ratification and appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2002 and any other proposal for stockholder action as may properly come before the Annual Meeting. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purposes of determining whether a quorum is present at the Annual Meeting and each is tabulated separately. The shares of Common Stock represented by valid Proxies that abstain with respect to any matter will not be counted as an affirmative vote in determining whether the requisite vote of the shares were cast in favor of that matter.

The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of the two nominees to serve as Class I Directors, a plurality of the shares of Common Stock, present or represented by Proxy at the Annual Meeting; and (ii) for the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2002, a majority of the shares of Common Stock, present or represented by Proxy at the Annual Meeting.

As of the Record Date, the Company had issued and outstanding 35,823,601 shares of Common Stock.

## 1. ELECTION OF DIRECTORS

### Board of Directors

Pursuant to the Company's Amended and Restated Articles of Incorporation and Bylaws, the Board of Directors of the Company shall be comprised of seven Directors. The Board of Directors currently consists of seven Directors, Michael B. Yanney, Stewart Zimmerman, Stephen R. Blank, Michael L. Dahir, Alan L. Gosule, George H. Krauss and W. David Scott, and is divided into three classes, with Messrs. Yanney and Blank constituting the Class I Directors, Messrs. Dahir and Krauss constituting the Class II Directors and Messrs. Zimmerman, Gosule and Scott constituting the Class III Directors. One class of Directors is elected at each annual meeting of the Company's stockholders for a term of three years. The term of the Class I Directors expires at the 2002 Annual Meeting. The terms of the other two classes of Directors expire at the 2003 Annual Meeting of Stockholders (Class II Directors) and the 2004 Annual Meeting of Stockholders (Class III Directors).

Messrs. Yanney and Blank have been nominated by the Board of Directors for election as Class I Directors by the holders of Common Stock at the Annual Meeting to serve until the 2005 Annual Meeting of Stockholders or until their respective successors are elected and qualified. In April 2002, Mr. Blank was appointed as a Director of the Company by the Board of Directors to fill the vacancy created following the resignation of Gregor Medinger, a former Class I Director. It is intended that the shares of Common Stock represented by properly executed Proxies will be voted by the Proxy holders FOR the election of Messrs. Yanney and Blank, unless authority to so vote is withheld. If the candidacy of Mr. Yanney or Mr. Blank should, for any reason, be withdrawn, the Proxy holders will vote in favor of such substituted nominee (if any) as shall be designated by the Proxy holders. The Board of Directors has no reason to believe that Messrs. Yanney and Blank will be unable or unwilling to serve as Class I Directors if elected.

#### 3

There is no familial relationship among any of the members of the Board of Directors or executive officers of the Company, except that Ronald A. Freyberg, the Company's Executive Vice President and Secretary, and William S. Gorin, the Company's Executive Vice President, Chief Financial Officer and Treasurer, are brothers-in-law.

#### 2. RATIFICATION OF APPOINTMENT OF AUDITOR

The Board of Directors has appointed PricewaterhouseCoopers LLP as the independent auditors to examine the accounts of the Company for the 2002 calendar year. PricewaterhouseCoopers LLP and its predecessor, Coopers & Lybrand

L.L.P., have served as the Company's independent auditors since the Company was formed. The Board of Directors is requesting that the Company's stockholders ratify the appointment of PricewaterhouseCoopers LLP. In the event that ratification of this appointment of auditors is not approved by the affirmative vote of a majority of the shares of Common Stock, the Board of Directors will review its future selection of auditors.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from stockholders.

#### Audit Fees

PricewaterhouseCoopers LLP billed the Company an aggregate of \$109,000 in fees for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2001 and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission (the "SEC") during 2001.

#### Financial Information Systems Design and Implementation Fees

PricewaterhouseCoopers LLP did not perform any professional services for the Company during the year ended December 31, 2001, either directly or indirectly, in connection with the operation, or supervising the operation, of the Company's information system or managing our local area network or designing or implementing a hardware or software system that aggregates source data underlying the Company's financial statements or that generates information that is significant to the Company's financial statements taken as a whole. Accordingly, no fees were paid to PricewaterhouseCoopers LLP during 2001 for these types of services.

#### All Other Fees

PricewaterhouseCoopers LLP billed the Company an aggregate of \$128,535 in fees for all other services rendered during the year ended December 31, 2001. These additional services consisted primarily of income tax compliance and related tax services, audit-related services rendered in connection with the Company's 2001 public offerings and the Company's filing of a registration statement with the SEC, and non-recurring accounting services rendered in connection with the merger of America First Mortgage Advisory Corporation, the Company's former external advisor (the "Advisor"), with and into the Company on January 1, 2002 (the "Advisor Merger") and certain real estate transactions completed by the Company and Retirement Centers Corporation in 2001.

The Board of Directors recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2002.

#### BOARD OF DIRECTORS, COMMITTEE MEETINGS, AUDIT COMMITTEE REPORT AND COMPENSATION OF DIRECTORS

#### Board of Directors and Committees of the Board of Directors

The Board of Directors conducts its business through meetings of the Board of Directors and actions taken by written consent in lieu of meetings and by the actions of its committees. During the year ended December 31, 2001, the Board of Directors held 12 meetings and acted once by written consent in lieu of a meeting. Each of the Company's directors attended at least 75% of the meetings of the Board of Directors and of the committees of the Board of Directors on which they served during 2001.

#### 4

The Board of Directors has two standing committees: the Audit Committee and the Compensation Committee. The Company does not have a standing nominating committee; the usual functions of such committee are performed by the entire Board of Directors.

**Audit Committee.** Michael L. Dahir (Chairman), Stephen R. Blank and W. David Scott are currently the members of the Audit Committee. The Audit Committee, which met four times in 2001, makes recommendations concerning the engagement of independent auditors, reviews with the independent auditors the plans and results of the audit engagement, approves professional services provided by the independent auditors, reviews the independence of the auditors, considers the range of audit and non-audit fees and reviews the adequacy of the Company's internal accounting controls. The Company's Bylaws require that the entire Audit Committee be comprised of Directors who are not employees of the Company (each, an "Independent Director").

**Compensation Committee.** Michael B. Yanney (Chairman) and Alan L. Gosule are currently the members of the Compensation Committee. The Compensation Committee determines the compensation of the Company's executive officers and the administration of the Company's Amended and Restated 1997 Stock Option Plan (the "Stock Option Plan"). During 2001, the usual functions of the Compensation Committee were performed by the entire Board of Directors and, as a result,

there were no formal meetings of the Compensation Committee. The Company's Bylaws require that at least 50% of the members of the Compensation Committee be Independent Directors.

#### Report of the Audit Committee

The Audit Committee of the Board of Directors is currently comprised of three Independent Directors, as required by the rules and listing standards of the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors and is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors. Each year, the Audit Committee recommends to the Board of Directors, subject to stockholder ratification, the selection of the Company's independent auditors.

Management is responsible for the preparation of the Company's financial statements and for the maintenance of the Company's financial reporting process, including internal controls. The independent auditors are responsible for performing an independent audit of the Company's annual consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of both of these processes.

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2001 with management of the Company and with representatives of PricewaterhouseCoopers LLP, the Company's independent auditors. As a result of these discussions, the Audit Committee believes that the Company maintains an effective system of accounting controls that allows it to prepare financial statements that fairly present the Company's financial position and results of its operations. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), which included a discussion of PricewaterhouseCoopers LLP's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

PricewaterhouseCoopers LLP has provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the Audit Committee has held discussions with PricewaterhouseCoopers LLP regarding such auditor's independence. The Audit Committee has further considered whether the provision by PricewaterhouseCoopers LLP of the non-audit services to the Company referenced elsewhere in this Proxy Statement is compatible with maintaining such auditor's independence.

Based upon the Audit Committee's discussions with management and PricewaterhouseCoopers LLP and the Audit Committee's review of the representations of management and the disclosures by PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC. The Audit Committee and the Board of Directors have also

5

recommended the selection of PricewaterhouseCoopers LLP as the Company's independent auditors for 2002, subject to stockholder ratification.

#### Compensation of Directors

The Company pays an annual fee of \$20,000 to the Independent Directors, of which \$10,000 is paid in cash and \$10,000 is paid in the form of shares of Common Stock. The number of shares of Common Stock issued to the Independent Directors is based on the fair market value of the Common Stock at the date of issuance. Directors are also eligible to receive grants of stock options and dividend equivalent rights ("DERs") under the Stock Option Plan. The Independent Directors also receive a fee of \$1,000 for each annual, quarterly or special meeting of the Board of Directors that they attend. Directors who are employees of the Company are not paid a director fee. The Company reimburses all Directors for travel and other expenses incurred in connection with their activities on behalf of the Company. In addition, during 2001, Michael L. Dahir and W. David Scott, two of the Company's Independent Directors, and Gregor Medinger, a former Independent Director, served as members of a special committee of the Board of Directors responsible for directing the negotiations relating to the Advisor

Merger on the Company's behalf and considering and making recommendations to the Board of Directors relating to the Advisor Merger. For services rendered as a member of this special committee, Mr. Dahir, as chairman of the special committee, received \$20,000 and Messrs. Scott and Medinger each received \$10,000.

#### EXECUTIVE COMPENSATION

##### Compensation of Executive Officers

Prior to the Advisor Merger on January 1, 2002, the only source of remuneration that the Company provided to its executive officers was in the form of grants of stock options and DERs under the Stock Option Plan. Prior to this date, the executive officers of the Company were paid a salary and bonus and received certain employee benefits from America First, which, prior to the Advisor Merger, was the majority owner of the Advisor. The Company did not, however, reimburse either America First or the Advisor for the salary, bonus or other employee benefits paid to these executive officers. As a result of the Advisor Merger, the Company, as a self-advised entity, has become responsible, effective January 1, 2002 and thereafter, for all of the remuneration to be paid to its executive officers. Accordingly, prior to January 1, 2002, the Company did not directly or indirectly pay its executive officers any salary or bonus or provide them with any employee benefits, except under the Stock Option Plan.

The following table sets forth certain information regarding the annual and long-term compensation paid by the Company and America First to the Company's Chief Executive Officer and the other executive officers of the Company whose total salary and bonus paid with respect to acting as an executive officer of the Company during 2001 exceeded \$100,000 (collectively, the "Named Executive Officers").

- All salaries and bonuses for the stated periods were paid by America First to the Named Executive Officers for services rendered to the Advisor in connection with the day-to-day operation of the Company. Other than the salary and bonus amounts set forth above, no Named Executive Officer received any other form of annual compensation required to be reported under the rules of the SEC.
- The amount of salary and bonus paid to Mr. Gorin in 2001 set forth above represents the allocable portion of the annual salary and bonus paid to him by America First in 2001 which was attributable to the services performed by him for the Advisor. Beginning in the fourth quarter of 2001, Mr. Gorin was employed on a full-time basis by the Advisor. For 2000 and 1999, the amount of salary and bonus paid to Mr. Gorin by America First for services performed by him for the Advisor was below the \$100,000 threshold for reporting established by the rules of the SEC.
- All amounts represent options to acquire shares of Common Stock. As of April 4, 2002, 175,000, 126,250 and 80,000 of the options were vested (or would vest within 60 days) for Messrs. Zimmerman, Freyberg and Gorin,

respectively. The Company does not maintain any plan that awards restricted stock or stock appreciation rights ("SARs") to its executive officers.

#### Options/SAR Grants in Last Fiscal Year

No options were granted to any of the Named Executive Officers during 2001.

#### Aggregated Option/SAR Exercises in Last Fiscal Year and Fiscal Year-End Option/SAR Values

No options were exercised during 2001 by any of the Named Executive Officers, except that William S. Gorin exercised an aggregate of 26,250 options on November 19, 2001. The following table sets forth certain information concerning the number of unexercised options and the value of unexercised options at the end of fiscal 2001 held by the Named Executive Officers.

1 No stock appreciation rights are held by any of the Named Executive Officers.

2 In accordance with the rules of the SEC, values are calculated by subtracting the exercise price of an option from the fair market value of the underlying common stock. At December 31, 2001, the exercise prices of all outstanding options ranged from \$4.875 to \$9.375. For purposes of this table, fair market value of the Common Stock is deemed to be \$8.75, the closing price of the Common Stock reported on the New York Stock Exchange on December 31, 2001.

#### Long-Term Incentive Plans and Other Matters

The Company does not maintain a long-term incentive plan or pension plan for its executive officers and, during 2001, did not reprice any outstanding stock options for any of its executive officers.

The Company does maintain the Stock Option Plan which was adopted on December 12, 1997. The Stock Option Plan authorizes the Board of Directors to grant Incentive Stock Options as defined under Section 422 of the Internal Revenue Code of 1986, as amended, Non-Qualified Stock Options ("NQSOs") and DERs to Directors,

7

officers and employees of the Company. Certain other persons providing services to the Company are also eligible to receive grants of NQSOs with DERs pursuant to the provisions of the Stock Option Plan. Upon the recommendation of the Compensation Committee, all eligible participants may be awarded options and DERs under the Stock Option Plan as determined and approved by a majority of the Board of Directors.

Holders of stock options have the right to acquire shares of Common Stock at an exercise price set at the time the stock option is granted. The exercise price for any stock options granted to eligible participants under the Stock Option Plan may not be less than the fair market value of the Common Stock on the day of the grant. Pursuant to the Stock Option Plan, stock options expire if not exercised ten years after the date granted. The holder of a DER is entitled to receive a cash payment equal to the dividend distribution paid on each share of Common Stock that is subject to an outstanding stock option. DERs terminate upon the exercise or expiration of the stock option relating to such share of Common Stock.

As of January 1, 2002, under the Stock Option Plan, there were outstanding (i) options to acquire a total of 520,000 shares of Common Stock at a purchase price of \$9.375 per share and a total of 300,000 shares of Common Stock at a purchase price of \$4.875 per share and (ii) a total of 503,750 DERs, which were attached to an equal number of outstanding stock options. During 2001, no stock options or DERs were granted, 26,250 stock options were exercised and 5,000 stock options expired or were terminated. The Stock Option Plan authorizes the granting of options to purchase an aggregate of up to 1,400,000 shares of Common Stock. As of April 4, 2002, options for 580,000 shares of Common Stock remained available for grant to eligible participants under the Stock Option Plan.

#### Employment Contracts and Termination of Employment

Following the Advisor Merger on January 1, 2002, the executive officers of the Advisor became employees of the Company and, as a result, the Company is now responsible for all salaries, bonuses and benefits of such executive officers. The Company assumed the employment agreements between the Advisor and the Named Executive Officers, which were amended in connection with the Advisor Merger, on January 1, 2002. The employment agreements of Messrs. Zimmerman, Freyberg and Gorin provide for, among other things, annual base salaries of \$300,000, \$200,000 and \$200,000, respectively, a minimum annual bonus pool of \$265,000 that will be divided among them, an additional bonus pool equal to 0.65% of additional equity capital that the Company raises and a one-year non-compete agreement. In the event that the employment of the Named Executive Officers is terminated following a change-in-control of the Company, each of these employment agreements also provides (i) for the lump sum payment, within 30 days following the termination of employment, of an amount equal to 300% of the sum of the Named Executive Officer's then current base salary plus bonus for the immediately preceding year, (ii) that all of the Named Executive Officer's outstanding stock options shall immediately vest and, to the extent that such options do not expire according to their terms, become exercisable for a period of one year from the date of termination and (iii) that the Named Executive Officer shall continue to participate in all health, life insurance, retirement and other benefit programs at the Company's expense to the same extent as though such Named Executive Officer's employment had not terminated. In addition, the Company assumed the liability to pay approximately \$150,000 of bonus obligations payable to Messrs. Zimmerman, Freyberg and Gorin with respect to 2001 and additional bonuses that they earned as a result of additional equity capital raised by the Company during 2001. Each of the Named Executive Officers is eligible to participate in the Stock Option Plan, the options of which are granted at the discretion of the Board of Directors.

On March 12, 2002, the Board of Directors adopted a proposal to restructure the salaries and bonuses currently being paid to the Named Executive Officers. Specifically, the new compensation plan, which is scheduled to take effect on August 1, 2002, provides that the salaries to be paid to Messrs. Zimmerman, Freyberg and Gorin will be equal to 0.25%, 0.20% and 0.20%, respectively, of the Company's tangible net worth, which will be calculated on a semi-annual basis on each June 30 and December 31. In the event that the Company's annualized return on equity for any given six-month period were to fall below 10%, the salaries to be paid to Messrs. Zimmerman, Freyberg and Gorin with respect to the following six-month period would be adjusted downward to equal (i) 0.2375%, 0.19% and 0.19%, respectively, of the Company's tangible net worth if its annualized return on equity was between 10% and 5% and (ii) 0.225%, 0.18% and 0.18%, respectively, of the Company's tangible net worth if its annualized return on equity was less than 5%. Notwithstanding the foregoing, the annual base salaries payable to Messrs. Zimmerman, Freyberg and Gorin pursuant to the new compensation plan will in no event exceed \$1,000,000, \$750,000 and \$750,000, respectively. In addition, the new compensation plan provides for a

performance bonus to be paid to the Named Executive Officers based on the determination of the Compensation Committee as to the amount, manner and timing of such bonus payment. As a result of the adoption of the new compensation plan by the Board of Directors, the Named Executive Officers will no longer be eligible to receive the bonus, which is currently provided for in their existing employment contracts, equal to 0.65% of any additional equity capital that the Company may raise. The Company also expects to enter into an employment agreement with Ms. Teresa D. Covello, the Company's Senior Vice President/Controller, that will provide for an annual salary of \$140,000 and an opportunity to earn a bonus, subject to approval by the Compensation Committee.

In addition, the Company has retained a compensation consultant to assist the Compensation Committee and the Board of Directors in further analyzing and defining the compensation packages and programs of the Company's executive officers and Directors.

#### Report of the Compensation Committee on Executive Compensation

This report is presented to describe the compensation policies applied by the Compensation Committee of the Board of Directors with regard to the Company's executive officers and the basis for the compensation of Stewart Zimmerman, the Company's Chief Executive Officer, for the year 2001.

**Executive Officer Compensation.** Prior to the Advisor Merger on January 1, 2002, the only compensation that the Company provided to its executive officers was awards of options to acquire shares of Common Stock and DERs under the Stock Option Plan. The Board of Directors, upon the recommendation of the Compensation Committee, makes awards of stock options and DERs to the Company's executive officers in order to provide an incentive to maximize their efforts on behalf of the Company by providing them with a proprietary interest in the Company. Such awards also encourage executive officers to remain employed with the Company and assist the Company in its efforts to attract new executive officers as the need

arises. Upon the recommendation of the Compensation Committee, the Board of Directors awards stock options and DERs to the Company's executive officers and determines the terms of such awards.

During 2001, no stock options or DERs were awarded to the Company's executive officers under the Stock Option Plan.

Compensation of CEO. During 2001, Stewart Zimmerman, the Company's Chief Executive Officer, received no compensation from the Company as the entire Board of Directors, performing the functions of the Compensation Committee, determined that options and DERs previously awarded to Mr. Zimmerman provided a significant and adequate incentive for Mr. Zimmerman to implement the Company's investment strategy in a manner designed to increase the value of the Company's Common Stock. The stock options and DERs issued in 1998 and 1999 represent the entire remuneration received by Mr. Zimmerman directly from the Company. Accordingly, the Compensation Committee believes that the compensation previously provided by the Company is very reasonable as compared to the compensation packages provided to chief executive officers of similar companies in the same industry.

Compliance with Section 162(m) of the Internal Revenue Code. Current tax laws impose an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to its executive officers. Specified compensation is excluded for this purpose, including performance-based compensation, provided that certain conditions are satisfied. The Compensation Committee has determined to preserve, to the maximum extent practicable, the deductibility of all compensation payments to the Company's executive officers.

#### COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's Directors, executive officers and holders of more than 10% of the outstanding shares of Common Stock ("10% Holders") to file with the SEC and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, executive officers and 10% Holders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to the Company and written representations from the Company's Directors, executive officers and 10% Holders that no other reports were required to be filed, the Company believes that for the year ended December 31, 2001 the Company's Directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them, except that Teresa D. Covello, the Company's Senior Vice President/Controller, filed a delinquent Statement of Initial Beneficial Ownership on Form 3, William S. Gorin, the Company's Executive Vice President, Chief Financial Officers and Treasurer, filed a delinquent Statement of Changes in Beneficial Ownership on Form 4 for the month ended November 2001 and Michael B. Yanney, the Company's Chairman of the Board, filed a delinquent Statement of Changes in Beneficial Ownership on Form 4 for the month ended December 31, 2001.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Except as described herein, the Company is not a party to any transaction or proposed transaction with any person who is (i) a Director or executive officer of the Company, (ii) a nominee for election as a Director, (iii) an owner of more than 5% of the Common Stock or (iv) a member of the immediate family of any of the foregoing persons.

#### Advisor Fees and Advisor Merger

Prior to December 31, 2001, the Advisor managed the operations and investments of the Company and performed administrative services for the Company. Prior to the Advisor Merger (as defined below), the Advisor was owned directly and indirectly by certain of the Company's Directors and executive officers (see discussion below). For the services and functions provided to the Company, the Advisor received a monthly management fee in an amount equal to 1.10% per annum of the first \$300 million of stockholders' equity of the Company, plus 0.80% per annum of the portion of stockholders' equity of the Company above \$300 million. The Company also paid the Advisor, as incentive compensation for each calendar quarter, an amount equal to 20% of the dollar amount by which the annualized return on equity for such quarter exceeded the amount necessary to provide an annualized return on equity equal to the Ten-Year U.S. Treasury Rate plus 1%. For the years ended December 31, 2001, 2000 and 1999, the Advisor earned a base management fee of approximately \$1,424,000, \$740,000 and \$762,000, respectively, and an incentive compensation fee of approximately \$2,914,000, \$797,054 and \$741,000, respectively. Approximately \$511,000, \$519,000 and \$433,000 of the incentive compensation fee earned in 2001, 2000 and 1999, respectively, was attributable to the gains on the sale of certain of the Company's interests in real property.

The Company entered into an Agreement and Plan of Merger, dated September 24, 2001 (the "Advisor Merger Agreement"), with the Advisor, America First and the stockholders of the Advisor. In December 2001, the Company's stockholders approved the terms of the Advisor Merger Agreement, which provided for the merger of the Advisor into the Company effective 12:01 a.m. on January 1, 2002. Pursuant to the Advisor Merger Agreement, the Company issued 1,287,501 shares of its Common Stock to the stockholders of the Advisor effective January 1, 2002. As a result, the Company became self-advised commencing January 1, 2002 and, since such time, has directly incurred the cost of all overhead necessary for its operation and administration. The market value of the Common Stock issued in the Advisor Merger, valued as of the consummation of the Advisor Merger in excess of the fair value of the net tangible assets acquired, in an amount of \$12,539,000, was charged to operating income of the Company for the year ended December 31, 2001.

Certain of the Company's Directors and executive officers who were involved in discussions and negotiations relating to the Advisor Merger had, and continue to have, interests that would be affected by the

Advisor Merger. At the time of the Advisor Merger, America First owned 80% of the outstanding capital stock of the Advisor. At that time, Michael B. Yanney, the Company's Chairman of the Board, and George H. Krauss, one of the Company's Directors, beneficially owned approximately 57% and 17%, respectively, of

America First. In addition, Stewart Zimmerman, the Company's President and Chief Executive Officer, and William S. Gorin, the Company's Executive Vice President, Chief Financial Officer and Treasurer, collectively owned approximately 3% of America First. At the time of the Advisor Merger, Messrs. Zimmerman, Gorin and Ronald A. Freyberg, the Company's Executive Vice President and Secretary, also owned, in the aggregate, the remaining 20% of the Advisor. Accordingly, the Advisor Merger resulted in these individuals receiving, in the aggregate, beneficial ownership of an additional 1,287,501 shares of the Common Stock valued at approximately \$11.3 million at the time of the Advisor Merger.

Because the Advisor Merger was between affiliated parties and may not be considered to have been negotiated in a completely arm's-length manner, the Company's Board of Directors established a special committee of the Board of Directors which consisted of three Independent Directors who had no personal interest in the Advisor Merger, to direct the negotiations relating to the Advisor Merger on the Company's behalf and to consider and make recommendations to the Board of Directors relating to the Advisor Merger.

Management Contracts

America First Properties Management Company L.L.C. (the "Property Manager") provides property management services for certain of the multifamily properties in which the Company has an interest. The Property Manager also provided property management services to certain properties previously held by the Company. The Property Manager receives a management fee equal to a stated percentage of the gross revenues generated by the Company's properties under management, ranging from 3.5% to 4% of gross revenues. The Property Manager received \$432,000, \$375,000 and \$325,000, respectively, for the years ended December 31, 2001, 2000 and 1999 for property management services provided at the Company's properties. It is expected that the Property Manager will continue to manage the properties in which the Company has an interest subsequent to the Advisor Merger. The Property Manager is a wholly owned subsidiary of America First.

Investments of the Company

Included in the Company's corporate debt securities portfolio are investments in the corporate debt securities of RCN Corporation ("RCN"), which were purchased between February 1999 and August 2000, and Level 3 Corporation ("Level 3"), which were purchased between August 1998 and August 2000. As of December 31, 2001, the Company's investment in (i) the RCN debt securities had a carrying value of approximately \$2.1 million and (ii) the Level 3 debt securities had a carrying value of approximately \$6.6 million and an estimated fair value of \$3.4 million. Michael B. Yanney, the Company's Chairman of the Board, is currently on the board of directors of both RCN and Level 3. One of the Company's Directors, W. David Scott, is the son of the Chairman of both RCN and Level 3.

Since 1998, the Company has held all of the non-voting preferred stock, representing 95% of the ownership and economic interest, in Retirement Centers Corporation ("RCC"), an entity formed in 1998 to hold certain of the Company's properties. All of the common stock, representing 5% of the ownership and economic interest, in RCC is held by William S. Gorin, the Company's Executive Vice President, Chief Financial Officer and Treasurer. Mr. Gorin also serves as a director of RCC. During the years ended December 31, 1999 and 2000, the Company received distributions from RCC totaling \$213,750 and \$98,000, respectively, and Mr. Gorin received distributions of \$11,250 and \$5,200, respectively. No distributions were made by RCC during 2001 to the Company or to Mr. Gorin.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of the Record Date regarding the beneficial ownership of the Common Stock with respect to (i) each person known to the Company to be the beneficial owner of 5% or more of the Company's outstanding shares of Common Stock, (ii) the Named Executive Officers, (iii) the Company's executive officers, (iv) the Company's Directors and nominees for Director and (v) all Directors and executive officers of the Company as a group.
