PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 20, 2003

This Proxy Statement is being furnished in connection with the solicitation of proxies by, and on behalf of, the Board of Directors of MFA Mortgage Investments, Inc., a Maryland corporation (the "Company"), for use at its 2003 Annual Meeting of Stockholders to be held on May 20, 2003 (the "Annual Meeting") at the Regency Hotel, 540 Park Avenue, New York, New York, at 10:00 a.m., New York City time, or at any postponements or adjournments thereof.

Stockholders are requested to complete, date and sign the enclosed proxy card (the "Proxy") and return it in the postage-prepaid envelope provided. Alternatively, stockholders may instruct the proxies for the Annual Meeting how to vote their shares of common stock, par value \$0.01 per share, of the Company

(the "Common Stock"), by using the toll-free telephone number or the internet voting web site provided for this purpose. Specific voting instructions regarding the telephone and internet voting options are included on the enclosed Proxy. Stockholders who vote by telephone or via the internet do not need to return their Proxy.

Valid Proxies will be voted as specified thereon at the Annual Meeting. Any stockholder giving a Proxy in the accompanying form or by using the toll-free telephone number or the internet voting web site retains the power to revoke such Proxy at any time prior to its exercise by delivering to the Company a written notice of revocation or a duly executed Proxy bearing a later date or upon request if the stockholder attends the Annual Meeting and chooses to vote in person. Any notice of revocation sent to the Company must include the stockholder's name and must be received prior to the Annual Meeting to be effective. If a Proxy is properly signed, returned without specifying any instructions and not revoked prior to the Annual Meeting, the shares represented by such Proxy will be voted FOR the election of the nominees to serve as Class II Directors until the 2006 Annual Meeting of Stockholders and FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for 2003.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the Proxy are first being sent to stockholders on or about April 9, 2003.

ANNUAL REPORT

This Proxy Statement is accompanied by the Annual Report to Stockholders of the Company for the year ended December 31, 2002, including financial statements audited by PricewaterhouseCoopers LLP, the Company's independent auditors for 2002, and their report thereon, dated February 3, 2003.

VOTING SECURITIES AND RECORD DATE

Holders of shares of Common Stock will be entitled to one vote for each share of Common Stock held of record at the close of business on April 1, 2003 (the "Record Date") with respect to the election of two Class II Directors to serve on the Company's Board of Directors for a term of three years, the ratification and appointment of Ernst & Young LLP as the Company's independent auditors for 2003 and any other proposal for stockholder action as may properly come before the Annual Meeting. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purposes of determining whether a quorum is present at the Annual Meeting and each is tabulated separately. The shares of Common Stock represented by valid Proxies that abstain with respect to any matter will not be counted as an affirmative vote in determining whether the requisite vote of the shares were cast in favor of that matter.

The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of the two nominees to serve as Class II Directors, a plurality of the shares of Common Stock, present or represented by Proxy at the Annual Meeting; and (ii) for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for 2003, a majority of the shares of Common Stock, present or represented by Proxy at the Annual Meeting.

As of the Record Date, the Company had issued and outstanding 46,354,605 shares of Common Stock.

1. ELECTION OF DIRECTORS

Board of Directors

Pursuant to the Company's Amended and Restated Articles of Incorporation and Bylaws, the Board of Directors of the Company is to be comprised of seven Directors. The Board of Directors currently consists of six Directors, Stewart Zimmerman, Stephen R. Blank, Michael L. Dahir, Alan L. Gosule, George H. Krauss and W. David Scott, and is divided into three classes, with Mr. Blank constituting one of the two Class I Directors (the other Class I Director position is currently vacant as a result of the retirement of Michael B. Yanney from the Board of Directors in March, 2003), Messrs. Dahir and Krauss constituting the Class II Directors and Messrs. Zimmerman, Gosule and Scott constituting the Class III Directors. One class of Directors is elected at each annual meeting of the Company's stockholders for a term of three years. The term of the Class II Directors expires at the 2003 Annual Meeting. The terms of the other two classes of Directors expire at the 2004 Annual Meeting of Stockholders (Class III Directors) and the 2005 Annual Meeting of Stockholders (Class I Directors).

On March 6, 2003, Mr. Yanney, who served as Chairman of the Board of Directors, retired from service on the Board of Directors. Mr. Zimmerman, Chief Executive Officer, President and a Director of the Company, was appointed by the Board of Directors to replace Mr. Yanney as Chairman of the Board of Directors.

Following the identification of a suitable candidate by the Nominating Committee to fill the vacancy created by Mr. Yanney's retirement from the Board of Directors, it is anticipated that such candidate will be appointed to the Board of Directors in accordance with the Company's Bylaws.

Messrs. Dahir and Krauss have been nominated by the Board of Directors for election as Class II Directors by the holders of Common Stock at the Annual Meeting to serve until the 2006 Annual Meeting of Stockholders or until their respective successors are elected and qualified. It is intended that the shares of Common Stock represented by properly executed Proxies will be voted by the Proxy holders FOR the election of Messrs. Dahir and Krauss, unless authority to so vote is withheld. If the candidacy of Messrs. Dahir or Krauss should, for any reason, be withdrawn, the Proxy holders will vote in favor of such substituted nominee (if any) as shall be designated by the Proxy holders. The Board of Directors has no reason to believe that Messrs. Dahir or Krauss will be unable or unwilling to serve as Class II Directors if elected.

2. RATIFICATION OF APPOINTMENT OF AUDITOR

On March 13, 2003, the Company terminated its relationship with PricewaterhouseCoopers LLP, its then independent auditors, and retained Ernst & Young LLP as its new independent auditors for the fiscal year ending December 31, 2003. PricewaterhouseCoopers LLP and its predecessor, Coopers & Lybrand L.L.P., had served as the Company's independent auditors since the Company was formed in 1997. The Board of Directors and the Audit Committee of the Board of Directors approved the Company's change in independent auditors.

The Board of Directors is requesting that the Company's stockholders ratify the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003. In the event that ratification

3

of this appointment of independent auditors is not approved by the affirmative vote of a majority of the shares of Common Stock, the Board of Directors will review its future selection of auditors.

The audit reports of PricewaterhouseCoopers LLP on the financial statements of the Company as of and for the years ended December 31, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's financial statements for the two most recent fiscal years and through March 13, 2003, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedures which, if not resolved to PricewaterhouseCoopers LLP's satisfaction, would have caused them to make reference thereto in their reports on the financial statements for such years. During the two most recent fiscal years and through March 13, 2003, there have been no reportable events as described under Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933, as amended (the "Securities Act").

The Company provided PricewaterhouseCoopers LLP with a copy of the foregoing paragraph prior to filing its Current Report on Form 8-K containing such disclosure with the Securities and Exchange Commission ("SEC") and requested that PricewaterhouseCoopers LLP furnish the Company with a letter addressed to the SEC stating whether or not it agreed with the above statements. A copy of PricewaterhouseCoopers LLP's letter to the SEC expressing its

agreement with the above statements, dated March 19, 2003, is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K, dated March 19, 2003.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from stockholders.

These services included the issuance of comfort letters and consents for filings with the SEC.

Tax Fees

PricewaterhouseCoopers LLP billed the Company an aggregate of \$83,000 and \$51,000 in fees for professional services relating to tax compliance, tax advice and tax planning for the fiscal years ending December 31, 2002 and 2001, respectively. These services included income tax compliance and related tax services.

Financial Information Systems Design and Implementation Fees

PricewaterhouseCoopers LLP did not perform any professional services for the Company during the fiscal years ended December 31, 2002 and 2001, either directly or indirectly, in connection with the operation, or supervising the operation, of the Company's information system or managing our local area network or designing or implementing a hardware or software system that aggregates source data underlying the Company's financial statements or that generates information that is significant to the Company's financial statements taken as a whole. Accordingly, no fees were paid to PricewaterhouseCoopers LLP during 2002 or 2001 for these types of services.

4

All Other Fees

PricewaterhouseCoopers LLP did not perform any other services for the Company during the fiscal years ended December 31, 2002 and 2001.

The Board of Directors recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for 2003.

BOARD OF DIRECTORS, COMMITTEE MEETINGS, AUDIT COMMITTEE REPORT AND COMPENSATION OF DIRECTORS

Board of Directors and Committees of the Board of Directors

The Board of Directors conducts its business through meetings of the Board of Directors and actions taken by written consent in lieu of meetings and by the actions of its committees. During the year ended December 31, 2002, the Board of Directors held eight meetings and acted once by written consent in lieu of a meeting. Each of the Company's Directors attended at least 75% of the meetings of the Board of Directors and of the committees of the Board of Directors on which they served during 2002.

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating Committee.

Audit Committee. Stephen R. Blank (Chairman), Michael L. Dahir and W. David Scott are currently the members of the Audit Committee. The Audit Committee, which met four times in 2002, engages independent auditors, reviews with independent auditors the plans and results of the audit engagement, approves professional services provided by the independent auditors, reviews the independence of the auditors, considers the range of audit and non-audit fees, reviews the adequacy of the Company's internal controls, accounting and reporting practices and assesses the quality and integrity of the Company's consolidated financial statements. The Company's Bylaws require that the entire Audit Committee be comprised of Directors who are not employees of the Company

(each, a "Non-Employee Director").

Compensation Committee. W. David Scott (Chairman), Stephen R. Blank and Michael L. Dahir are currently the members of the Compensation Committee. The Compensation Committee, which met four times during 2002, determines the compensation of the Company's executive officers and the administration of the Company's Amended and Restated 1997 Stock Option Plan (the "Stock Option Plan"). The Company's Bylaws require that at least 50% of the members of the Compensation Committee be Non-Employee Directors.

Nominating Committee. Michael L. Dahir (Chairman), Stephen R. Blank and W. David Scott are currently the members of the Nominating Committee. The Nominating Committee, which was formed in October, 2002, did not meet during 2002. The Nominating Committee is responsible for, among other things, recommending to the Board of Directors individuals to serve as the Company's Directors. The Nominating Committee may also consider nominees for election as Directors made by stockholders.

Report of the Audit Committee

The Audit Committee of the Board of Directors is currently comprised of three Non-Employee Directors, each of whom is also independent for purposes of the rules and listing standards of the New York Stock Exchange (the "NYSE"). The Audit Committee operates under a written charter adopted by the Board of Directors and is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors. A copy of the Audit Committee's charter is included as Appendix A to this Proxy Statement.

Management is responsible for the preparation of the Company's financial statements and for the maintenance of the Company's financial reporting process, including internal controls. The independent auditors are responsible for performing an independent audit of the Company's annual consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of both of these processes.

5

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2002 with management of the Company and with representatives of PricewaterhouseCoopers LLP, the Company's independent auditors for the fiscal year ended December 31, 2002. As a result of these discussions, the Audit Committee believes that the Company maintains an effective system of accounting controls that allows it to prepare financial statements that fairly present the Company's financial position and results of its operations. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61 "Communication with Audit Committees", which included a discussion of PricewaterhouseCoopers LLP's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

PricewaterhouseCoopers LLP has provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees" and the Audit Committee has held discussions with PricewaterhouseCoopers LLP regarding such auditor's independence. The Audit Committee has further considered whether the provision by PricewaterhouseCoopers LLP of the non-audit services to the Company referenced elsewhere in this Proxy Statement was compatible with the maintenance of such auditor's independence.

Based upon the Audit Committee's discussions with management and PricewaterhouseCoopers LLP and the Audit Committee's review of the representations of management and the disclosures by PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the SEC.

Non-Employee Directors who serve as a Chairman of a committee of the Board of Directors are paid an additional annual fee of \$5,000. The number of shares of Common Stock issued to the Non-Employee Directors is based on the fair market value of the Common Stock at the date of issuance. Directors are also eligible to receive grants of stock options and dividend equivalent rights ("DERs") under the Stock Option Plan. The Non-Employee Directors also receive a fee of \$1,000 for each annual, quarterly or special meeting of the Board of Directors that they attend and \$500 for telephonic meetings of the Board of Directors in which they participate. - 2 In accordance with the rules of the SEC, values are calculated by subtracting the exercise price of an option from the fair market value of the underlying common stock. At December 31, 2002, the exercise prices of all outstanding options ranged from \$4.875 to \$9.375. For purposes of this table, fair market value of the Common Stock is deemed to be \$8.40, the closing price of the Common Stock reported on the NYSE on December 31, 2002.

Long-Term Incentive Plans and Other Matters

On December 19, 2002, the Company's Board of Directors adopted the Company's 2003 Nonemployee Directors' Deferred Compensation Plan and 2003 Senior Officers' Deferred Bonus Plan (collectively, the "Deferred Plans"). Under the Deferred Plans, Non-Employee Directors and officers of the Company may elect to defer a percentage of their compensation earned subsequent to December 31, 2002. The Deferred Plans are intended to provide Non-Employee Directors and officers of the Company with an opportunity to defer up to 100% of certain compensation, as defined in the Deferred Plans, while at the same time aligning their interests with the interests of stockholders. Under the Deferred Plans, amounts deferred are deemed to be converted into "stock units" of the Company, which do not represent capital stock of the Company, but rather the right to receive a cash payment equal to the fair market value of an equivalent number of shares of Common Stock. Deferred amounts increase or decrease in value as would equivalent shares of Common Stock and are settled in cash at the termination of the deferral period, based on the value of the stock units at that time. The Deferred Plans are non-qualified plans under the Employee Retirement Income Security Act of 1974, as amended, and are not funded. Prior to the time that the deferred accounts are settled, participants are unsecured creditors of the Company.

The Company also maintains the Stock Option Plan which was originally adopted on December 12, 1997 and amended and restated on March 8, 2001. The Stock Option Plan authorizes the Compensation Committee to grant Incentive Stock Options as defined under Section 422 of the Internal Revenue Code of 1986, as amended, Non-Qualified Stock Options ("NQSOs") and DERs to Directors, officers and employees of the Company. Certain other persons providing services to the Company are also eligible to receive grants of NQSOs and DERs pursuant to the provisions of the Stock Option Plan. Upon the recommendation of the Compensation Committee, all eligible participants may be awarded options and DERs under the Stock Option Plan as determined and approved by a majority of the members of the Compensation Committee.

Holders of stock options have the right to acquire shares of Common Stock at an exercise price set at the time the stock option is granted. The exercise price for any stock options granted to eligible participants under the Stock Option Plan may not be less than the fair market value of the Common Stock on the day of the grant. Pursuant to the Stock Option Plan, stock options expire if not exercised ten years after the date granted. The holder of a DER is entitled to receive a cash payment equal to the dividend distribution paid on each share of Common Stock that is subject to an outstanding stock option. DERs terminate upon the exercise or expiration of the stock option relating to such share of Common Stock.

As of April 1, 2003, under the Stock Option Plan, there were outstanding (i) options to acquire a total of 460,000 shares of Common Stock at a purchase price of \$9.375 per share and a total of 100,000 shares of Common Stock at a purchase price of \$4.875 per share and (ii) a total of 452,500 DERs, which were attached to an equal number of outstanding stock options. During 2002, no stock options were granted, 90,000 stock options were exercised and 60,000 stock options expired or were terminated. The Stock Option Plan authorizes the granting of options to purchase an aggregate of up to 1,400,000 shares of Common Stock. As of April 1, 2003, options for 580,000 shares of Common Stock remained available for grant to eligible participants under the Stock Option Plan. During 2002, the Company did not reprice any outstanding stock options for any of the Named Executive Officers.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

The Company entered into new employment agreements with the Named Executive Officers during 2002, which were effective as of August 1, 2002 with respect to Messrs. Zimmerman, Freydborg and Gorin and as of October 1, 2002 with respect to Ms. Covello.

The employment agreements for Messrs. Zimmerman, Freydborg and Gorin, which took effect on August 1, 2002, provide that the annual salaries to be paid to Messrs. Zimmerman, Freydborg and Gorin will be equal to 0.25%, 0.20% and 0.20%, respectively, of the Company's tangible net worth, which will be calculated on a semi-annual basis on each June 30 and December 31. In the event that the Company's annualized return on equity for any given six-month period were to fall below 10%, the salaries to be paid to Messrs. Zimmerman, Freydborg and Gorin with respect to the following six-month period would be adjusted downward to equal (i) 0.2375%, 0.19% and 0.19%, respectively, of the Company's tangible net worth if the Company's annualized return on equity was between 10% and 5% and (ii) 0.225%, 0.18% and 0.18%, respectively, of the Company's tangible net worth if its annualized return on equity was less than 5%. Notwithstanding the foregoing, the annual base salaries payable to Messrs. Zimmerman, Freydborg and Gorin pursuant to the employment agreements will in no event exceed \$1,000,000, \$750,000 and \$750,000, respectively. In addition, the employment agreements provide for a performance bonus to be paid to Messrs. Zimmerman, Freydborg and Gorin based on the determination of the Compensation Committee as to the amount, manner and timing of such bonus payment. The employment agreements for Messrs. Zimmerman, Freydborg and Gorin each have a term of three years, subject to earlier termination in certain circumstances. Each of the employment agreements for Messrs. Zimmerman, Freydborg and Gorin also provides that, upon the occurrence of a change in control of the Company, each of Messrs. Zimmerman, Freydborg and Gorin, respectively, is eligible for the following benefits if their employment is terminated, if they resign for any reason within three months of a change in control, or if they are terminated for any reason other than for cause or due to the their resignation of employment for good reason within twelve months of a change in control: (a) a sum equal to 300% of their respective then current base salary and bonus for the preceding year, (b) all of their respective stock options shall immediately vest and become exercisable for a period of 90 days from the date of termination and (c) they shall each continue to participate in all health, life insurance, retirement and other benefit programs at the Company's expense for the balance of the term of their respective employment agreement. Each of Messrs. Zimmerman, Freydborg and Gorin is eligible to participate in the Stock Option Plan, the options of which are granted at the discretion of the Compensation Committee, and the Company's 2003 Senior Officers' Deferred Bonus Plan.

The employment agreement for Ms. Covello, which took effect on October 1, 2002, provides for an annual salary of \$140,000 and an opportunity to earn a performance bonus as determined appropriate by the Chief Executive Officer or the Chief Financial Officer and approved by the Compensation Committee. The employment agreement for Ms. Covello has a term of one year, subject to earlier termination in certain circumstances. Subject to certain provisions in the agreement, upon the occurrence of a change in control of the Company, Ms. Covello is eligible for the following benefits if she is terminated without cause within two months, resigns her employment for any reason within three months of a change in control or is terminated for any reason other than for cause or resigns for good reason within twelve months of a change in control: (a) an amount equal to nine months of her base salary plus 75% of the prior year's bonus, (b) all of her stock options shall immediately vest and become exercisable for a period of 90 days from the date of termination, subject to certain conditions and (c) she shall continue to participate in all health, life insurance, retirement and other benefit programs at the Company's expense for the balance of the term of her employment agreement. Ms. Covello is also eligible to participate in the Stock Option Plan, the options of which are granted at the discretion of the Compensation Committee, and the Company's 2003 Senior Officers' Deferred Bonus Plan.

This report is presented to describe the compensation policies applied by the Compensation Committee of the Board of Directors with regard to the Company's executive officers and the basis for the compensation of Stewart Zimmerman, the Company's Chief Executive Officer, for the year 2002.

The primary objectives of the Compensation Committee's compensation program are to provide a level of compensation to the Company's executive officers that will attract and retain well-qualified individuals, to structure their compensation packages so that a significant portion is tied to incentives and achieving specific targets and to align the interests of such executive officers with those of the Company's stockholders through compensation incentives.

During 2002, the Compensation Committee undertook an evaluation of the compensation packages then being offered by the Company to the Named Executive Officers. In connection with its evaluation, the Compensation Committee retained an independent compensation consultant to assist the Compensation Committee's assessment of, and to provide market information regarding, the compensation packages offered to executive officers at other comparable companies within the Company's industry. The Compensation Committee met several times during 2002, both separately from, and together with, the compensation consultant, and, based upon its evaluation, ultimately determined that the structure and substance of the compensation packages being offered to the Named Executive Officers should be revised to be more in line with those currently available elsewhere in the marketplace. The Compensation Committee then entered into negotiations with the Named Executive Officers to structure new employment agreements for these individuals and, upon the conclusion of these negotiations, recommended to the Board of Directors that the new employment agreements for the Named Executive Officers be approved. Based on this recommendation of the Compensation Committee, the Board of Directors approved the new employment agreements for the Named Executive Officers.

Executive Officer Compensation. The Compensation Committee reviews the compensation packages and employment agreements of the Named Executive Officers and makes recommendations to the Board of Directors regarding such compensation. The Compensation Committee may also grant awards of stock options and DERs to the Company's executive officers in order to provide an incentive to maximize their efforts on behalf of the Company by providing them with a proprietary interest in the Company. Such awards also encourage executive officers to remain employed with the Company and assist the Company in its efforts to attract new executive officers as the need arises. Upon the recommendation of the Compensation Committee, the Board of Directors approves employment agreements, awards stock options and DERs to the Company's executive officers and determines, as applicable, the terms of such awards. During 2002, no stock options or DERs were awarded to the Company's executive officers under the Stock Option Plan.

Compensation of CEO. Stewart Zimmerman, the Company's Chief Executive Officer, is compensated pursuant to an employment agreement that became effective August 1, 2002 (the "CEO Employment Agreement"), a copy of which has been publicly filed with the SEC. The CEO Employment Agreement was negotiated by the Compensation Committee on behalf of the Company, after discussions with the independent compensation consultant, and approved by the Board of Directors upon the recommendation of the Compensation Committee. For the year ended December 31, 2002, Mr. Zimmerman, as Chief Executive Officer of the Company, received a base salary of \$533,333 and a performance bonus of \$356,816, which partially reflected the payment provisions of Mr. Zimmerman's prior employment agreement which was in effect until July 31, 2002. Mr. Zimmerman's previous employment agreement provided for an annual base salary of \$300,000 and a portion of a minimum annual bonus pool of \$265,000, as well as an additional bonus pool equal to 0.65% of the additional equity capital raised. The Compensation Committee awarded Mr. Zimmerman's bonus for 2002, which was based in part on his prior employment agreement, based on an assessment by the Compensation Committee of Mr. Zimmerman's performance with respect to specified goals and objectives, which included both qualitative and quantitative factors. The Compensation Committee believes that the CEO Employment Agreement is consistent in structure and substance to the compensation packages offered to chief executive officers of other comparable companies in the Company's industry. The Compensation Committee will continue to monitor compensation packages in the industry to ensure that the CEO Employment Agreement remains comparable to compensation structures throughout the industry.

Compliance with Section 162(m) of the Internal Revenue Code. Current tax laws impose an annual, individual limit of \$1 million on the deductibility of the Company's compensation payments to its executive officers. Specified compensation is excluded for this purpose, including performance-based compensation, provided that certain

payments to the Company's executive officers.

The foregoing Report of Audit Committee, Report of the Compensation Committee on Executive Compensation and Share Performance Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates such reports or graph by reference and shall not otherwise be deemed filed under such acts.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's Directors, executive officers and holders of more than 10% of the outstanding shares of Common Stock ("10% Holders") to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, executive officers and 10% Holders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to the Company and written representations from the Company's Directors, executive officers and 10% Holders that no other reports were required to be filed, the Company believes that for the year ended December 31, 2002 the Company's Directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them, except that Stephen R. Blank, a Director of the Company, filed a delinquent Statement of Initial Beneficial Ownership on Form 3 following his appointment to the Board of Directors and Michael L. Dahir and W. David Scott, Directors of the Company, each filed a delinquent Annual Statement of Changes in Beneficial Ownership on Form 5 for the year ended December 31, 2001 regarding their acquisition of

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Except as described herein, the Company is not a party to any transaction or proposed transaction with any person who is (i) a Director or executive officer of the Company, (ii) a nominee for election as a Director, (iii) an owner of more than 5% of the Common Stock or (iv) a member of the immediate family of any of the foregoing persons.

Advisor Fees and Advisor Merger

Prior to December 31, 2001, the Advisor managed the operations and investments of, and performed administrative services for, the Company. Prior to the merger of the Advisor with and into the Company on January 1, 2002 (the "Advisor Merger"), the Advisor was owned directly and indirectly by certain of the Company's Directors and executive officers (see discussion below). For the services and functions provided to the Company, the Advisor received a monthly management fee in an amount equal to 1.10% per annum of the first \$300 million of stockholders' equity of the Company, plus 0.80% per annum of the portion of stockholders' equity of the Company above \$300 million. The Company also paid the Advisor, as incentive compensation for each calendar quarter, an amount equal to 20% of the dollar amount by which the annualized return on equity for such quarter exceeded the amount necessary to provide an annualized return on equity equal to the Ten-Year U.S. Treasury Rate plus 1%. For the years ended December 31, 2001 and 2000, the Advisor earned a base management fee of approximately \$1,424,000 and \$740,000, respectively, and an incentive compensation fee of approximately \$2,914,000 and \$797,054, respectively. Approximately \$511,000 and \$519,000 of the incentive compensation fee earned in 2001 and 2000, respectively, was attributable to the gains on the sale of certain of the Company's interests in real property.

The Company entered into an Agreement and Plan of Merger, dated September 24, 2001 (the "Advisor Merger Agreement"), with the Advisor, America First and the stockholders of the Advisor. In December 2001, the Company's stockholders approved the terms of the Advisor Merger Agreement, which provided for the merger of the Advisor into the Company effective 12:01 a.m. on January 1, 2002. Pursuant to the Advisor Merger Agreement, the Company issued 1,287,501 shares of its Common Stock to the stockholders of the Advisor effective January 1, 2002. As a result, the Company became self-advised commencing January 1, 2002 and, since such time, has directly incurred the cost of all overhead necessary for its operation and administration. The market value of the Common Stock issued in the Advisor Merger, valued as of the consummation of the Advisor Merger in excess of the fair value of the net tangible assets acquired, in an amount of \$12,539,000, was charged to operating income of the Company for the year ended December 31, 2001.

12

Certain of the Company's Directors and executive officers who were involved in discussions and negotiations relating to the Advisor Merger had, and continue to have, interests that would be affected by the Advisor Merger. At the time of the Advisor Merger, America First owned 80% of the outstanding capital stock of the Advisor. At that time, Michael B. Yanney, the Company's former Chairman of the Board who retired in March 2003, and George H. Krauss, one of the Company's Directors, beneficially owned approximately 57% and 17%, respectively, of America First. In addition, Stewart Zimmerman, the Company's Chairman of the Board, President and Chief Executive Officer, and William S. Gorin, the Company's Executive Vice President, Chief Financial Officer and Treasurer, collectively owned approximately 3% of America First. At the time of the Advisor Merger, Messrs. Zimmerman, Gorin and Ronald A. Freydborg, the Company's Executive Vice President and Secretary, also owned, in the aggregate, the remaining 20% of the Advisor. Accordingly, the Advisor Merger resulted in these individuals receiving, in the aggregate, beneficial ownership of an additional 1,287,501 shares of the Common Stock valued at approximately \$11.3 million at the time of the Advisor Merger.

Because the Advisor Merger was between affiliated parties and may not be considered to have been negotiated in a completely arm's-length manner, the Company's Board of Directors established a special committee of the Board of Directors which consisted of three Non-Employee Directors who had no personal interest in the Advisor Merger, to direct the negotiations relating to the Advisor Merger on the Company's behalf and to consider and make recommendations to the Board of Directors relating to the Advisor Merger.

Management Contracts

America First Properties Management Company L.L.C. (the "Property Manager") provides property management services for certain of the multifamily properties in which the Company has an interest. The Property Manager also provided property management services to certain properties previously held by the Company. The Property Manager receives a management fee equal to a stated percentage of the gross revenues generated by the Company's properties under management, ranging from 3.5% to 4% of gross revenues. The Property Manager

received \$412,000, \$423,000 and \$375,000 for the years ended December 31, 2002, 2001 and 2000, respectively, for property management services provided at properties in which the Company has an interest. The Property Manager is a wholly owned subsidiary of America First.

Investments of the Company

Prior to the Company liquidating its portfolio of corporate debt securities during 2002, the Company held the corporate debt securities of RCN Corporation ("RCN"), which were purchased between February 1999 and August 2000, and Level 3 Corporation ("Level 3"), which were purchased between August 1998 and August 2000. During the fourth quarter of 2001, the Company recognized an other-than-temporary impairment charge of \$2,453,000 on its investment in RCN debt securities, with an aggregate par value of \$5,000,000. During the third quarter of 2002, the Company sold all of its RCN debt securities on the open market for an aggregate sale price of \$856,000, recognizing a loss of \$1,291,000. During the first quarter of 2002, the Company recognized an other-than-temporary impairment charge of \$3,474,000 on its investment in Level 3 debt securities, with an aggregate par value of \$7,000,000. During the third quarter of 2002, the Company sold all of its Level 3 debt securities on the open market for \$4,008,000, realizing a gain of \$928,000. Michael B. Yanney, the Company's former Chairman of the Board who retired in March 2003, served on the board of directors of both RCN and Level 3 during 2002. One of the Company's Directors, W. David Scott, is the son of the Chairman of both RCN and Level 3.

Retirement Centers Corporation

From 1998 until October 2002, the Company held all of the non-voting preferred stock, representing 95% of the ownership and economic interest, in Retirement Centers Corporation ("RCC"), an entity formed in 1998 to hold certain of the Company's property interests. Prior to October 1, 2002, all of the common stock, representing 5% of the ownership and economic interest, in RCC was held by William S. Gorin, the Company's Executive Vice President, Chief Financial Officer and Treasurer. During 2002, the Board of Directors determined that it would be in the best interests of the Company to purchase Mr. Gorin's interest in RCC and, accordingly, engaged independent appraisers to provide an estimate of the value of the underlying properties. In September 2002, the Board of Directors approved the Company's purchase of Mr. Gorin's interest in RCC after examining the estimates of value and the balance sheets relating to the underlying properties. The Company's purchase of Mr. Gorin's interest in RCC was consummated on October 1, 2002, for a purchase price of \$260,000. As a result of this transaction, RCC became a wholly-owned subsidiary of the Company. During the years ended December 31, 2002, 2001 and 2000, the Company received

13

distributions from RCC totaling \$237,500, \$0 and \$98,800, respectively, and Mr. Gorin received distributions of \$12,500, \$0 and \$5,200, respectively.

II. Membership

1. The Committee will have at least three members, each of whom shall be appointed by the Board. Each member of the Committee shall be financially literate (i.e., able to read and understand financial statements and aware of the functions of auditors for a company) as affirmatively determined by the Board in connection with such member's appointment to the Committee.

2. The Committee shall be composed solely of "independent" directors who have no employment or professional relationship with MFA, who are independent of MFA's management and who comply with the requirements for serving on audit committees as set forth in the corporate governance standards, as amended from time to time, of the New York Stock Exchange ("NYSE") and all other applicable laws, rules and regulations of the Securities and Exchange Commission (the "SEC") or other similar governing bodies. The definition of "independent" requires that the Board affirmatively determine that a director to be appointed to the Committee not have any material relationship with MFA or any of its subsidiaries. In addition, the independence of each member of the Committee shall be reviewed on an annual basis by the Board or more frequently as the circumstances dictate. For purposes of the Committee, a director is not independent if:

a) the director receives, directly or indirectly, any consulting, advisory or other compensatory fees from MFA, other than fees for serving in his or her

capacity as a member of the Board and as a member of the Board's committees;

b) the Board determines that the director has a material relationship with MFA (either directly or as a partner, stockholder or officer of an organization that has a relationship with MFA) or is otherwise an affiliate of MFA;

c) the director is a former employee of MFA, unless a "cooling-off" period of at least five years after the termination of such employment has elapsed;

d) the director is, or in the past five years has been, affiliated with or employed by a present or former auditor of MFA or an affiliate thereof, unless a "cooling-off" period of at least five years after the termination of either the affiliation or employment with the auditor or the auditing relationship has elapsed;

e) the director is, or in the past five years has been, part of an interlocking directorate in which an executive officer of MFA serves on the compensation committee of the board of directors of another company that employs such director; or

f) the director has an immediate family member in any of the categories listed in (d) or (e) above, unless a "cooling-off" period of at least five years has elapsed since the termination of the applicable relationship or until after such family member is deceased or becomes incapacitated.

3. A director appointed to the Committee may not serve on more than two additional audit committees for publicly listed companies, unless the Board has made an affirmative determination that such director is able to effectively undertake the responsibilities of serving on MFA's Audit Committee in addition to his or her positions on other such audit committees.

4. The Board shall appoint one member of the Committee to serve as the Chairperson and shall affirmatively determine at the time of such appointment that such member possesses accounting or related financial management expertise.

III. Responsibilities and Duties

A. Financial and Related Reporting

1. The Committee shall, prior to each filing by MFA of a Quarterly Report on Form 10-Q (the "Form 10-Q") with the SEC, review with MFA's management and external auditors the interim financial information to be included in the Form 10-Q and review the matters described in Statement on Auditing Standards No. 61, as it may be modified or supplemented, of the American Institute of Certified Public Accountants, Communication with Audit Committees ("SAS 61"). In connection therewith, the Committee shall review any matters of significance, including significant adjustments, management judgments and accounting estimates, significant reserves and/or accruals, significant new accounting principles, disagreements between management and the external auditors and their effect, if any, on MFA's consolidated financial statements and recent or proposed requirements of the SEC, the Financial Accounting Standards Board (the "FASB") or other similar governing bodies.

2. The Committee shall, prior to each filing by MFA of an Annual Report on Form 10-K (the "Form 10-K") with the SEC, review with MFA's management and external auditors the audited financial statements to be included in the Form 10-K and in MFA's annual report to stockholders (the "Annual Report") and review and consider the matters described in SAS 61. In connection therewith, the Committee shall review significant adjustments, management judgments and accounting estimates, significant reserves and/or accruals, significant new accounting principles, disagreements between management and the external auditors and their effect, if any, on MFA's consolidated financial statements and recent or proposed requirements of the SEC, the FASB or other similar governing bodies. Following such review, the Committee shall recommend to the Board whether the audited financial statements should be included in the Annual Report or the Form 10-K.

3. The Committee shall meet with MFA's Chief Executive Officer and Chief Financial Officer, prior to their certification of each Form 10-Q or Form 10-K filed with the SEC, and review with such officers their disclosures relating to (a) all significant deficiencies in the design or operation of internal controls which could adversely affect MFA's ability to record, process, summarize and report financial data and identify any material weakness in internal controls and (b) any fraud, whether or not material, that involves MFA's management or other employees who have a significant role relating to MFA's internal controls.

4. In connection with its review of each Form 10-Q and Form 10-K and prior to issuance of any earnings press release by MFA, the Committee shall review with MFA's management and external auditors the consolidated statements of operations, earnings guidance and other financial information to be included in such earnings press release. Prior to issuance of any release of financial information or earnings guidance to analysts or rating agencies, the Committee

shall review with MFA's management and external auditors the financial information or earnings guidance to be included in such release to be provided to analysts or rating agencies.

5. The Committee shall annually issue a written report to the Board, a copy of which shall be included in MFA's proxy statement related to the annual meeting of stockholders, stating whether the Committee has (a) reviewed and discussed the audited financial statements with MFA's management, (b) discussed with MFA's external auditors the matters required to be discussed by SAS 61, (c) received from MFA's external auditors disclosures regarding such auditors' independence required by Independence Standards Board 1 and discussed with such auditors their independence, (d) recommended to the Board that the audited financial statements of MFA be included in the Annual Report and the Form 10-K and (e) such other information as may be required, from time to time, by the rules and/or regulations of the NYSE, the SEC, the FASB or other similar governing bodies.

6. The Committee shall periodically discuss with MFA's external auditors, such auditors' judgments about the quality, not just the acceptability, of MFA's accounting principles as applied in its consolidated financial statements. The discussion should include such issues as the clarity of MFA's financial disclosures, the degree of aggressiveness or conservatism of MFA's accounting principles and the underlying estimates and other significant decisions made by MFA's management in preparing the financial disclosures.

A-2

7. The Committee shall obtain and review, on an annual basis, a report prepared by MFA's management and/or external auditors setting forth all significant financial reporting issues and judgments made in connection with the preparation of MFA's financial statements, including an analysis of the effects on the financial statements of MFA of any alternative generally accepted accounting principle ("GAAP") methods adopted by MFA, any regulatory and/or accounting initiatives and any off-balance sheet structures and all critical accounting policies and practices MFA uses or expects to use.

B. Controls and Compliance

8. The Committee shall periodically review with MFA's management, external auditors and internal auditors (a) the adequacy and effectiveness of MFA's system of internal accounting controls, (b) any recommendations of such external and/or internal auditors with respect to any material weaknesses in MFA's system of internal controls, (c) any material matters or problems with respect to accounting, EDP records, procedures or operations of MFA which have not been resolved to such external and/or internal auditors' satisfaction after having been brought to the attention of management and (d) any material matters or problems with respect to the safeguarding of MFA's assets and limitations on authority of MFA's management relating to, among other things, investments, borrowings and derivative instruments. Such review should also consider the impact of the adequacy and effectiveness of MFA's system of internal accounting controls on MFA's financial reporting on both an annual and quarterly basis.

9. The Committee shall discuss and review policies with respect to risk assessment and risk management, including, but not limited to, (a) guidelines and policies to govern the process by which risk assessment and risk management is undertaken by MFA and its management, (b) the adequacy of MFA's insurance coverage, (c) any uninsured or commercially uninsurable risks, (d) MFA's interest rate risk management, (e) MFA's counter-party and credit risks and (f) any environmental risks relating to MFA.

10. The Committee shall review with MFA's management and tax advisors the status of all tax returns, including open years and potential disputes. The Committee shall review with MFA's external auditors the adequacy of tax reserves included in MFA's consolidated financial statements.

11. On at least an annual basis, the Committee shall review with MFA's legal counsel, (a) any legal or regulatory matters that could have a significant impact on MFA's financial statements, (b) MFA's compliance with applicable laws and regulations and (c) inquiries received from regulators or governmental agencies.

12. The Committee shall review the status of significant litigation with MFA's legal counsel and external auditors, if appropriate, and whether reserves, if any, in connection with actual and/or potential litigation are appropriate.

13. The Committee shall monitor and review MFA's compliance with applicable SEC and NYSE rules and regulations relating to, among other things, MFA's corporate accounting and reporting practices, the quality and integrity of MFA's consolidated financial statements, the performance, qualifications and independence of MFA's external auditors and the performance of MFA's internal audit function.

C. Internal Audit

14. To the extent applicable, the Committee shall review the function of MFA's internal audit department, its budget, organization, activities, independence and authority of its reporting obligations. The Committee shall, on a regular basis, review MFA's internal audit charter and compliance by MFA's internal audit department with applicable IIA standards. The Committee shall also review the appointment and replacement of MFA's senior internal auditing executive and the coordination of such activities with MFA's external auditors.

15. The Committee shall meet regularly, but in no event less than once every six months, with MFA's internal auditors in executive sessions without MFA's management present.

D. External Audit

16. The Committee shall hire and fire (subject, if applicable, to stockholder ratification) the external auditors to be used to audit the consolidated financial statements of MFA.

17. The Committee shall review and pre-approve the engagement fees and the terms of all auditing and non-auditing services to be provided by MFA's external auditors and evaluate the effect thereof on the independence of the external auditors. The Committee shall also review and evaluate the scope of all non-auditing services to be provided by MFA's external auditors in order to confirm that such services are permitted by the rules and/or regulations of the NYSE, the

SEC, FASB or other similar governing bodies. As necessary, the Committee shall consult with MFA's management regarding the engagement fees or terms of any such auditing or non-auditing services.

18. The Committee shall, at least annually, evaluate MFA's external auditors' qualifications, performance and independence and present a written report to the Board of its conclusions with respect to such evaluation. In connection with this evaluation, the external auditors shall provide a written annual report to the Committee describing: (a) such external auditors' internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of such external auditors or by any inquiry or investigation by government or professional authorities within the preceding five years, respecting one or more independent audits carried out by such external auditors, and any steps taken to deal with any such issues; and (c) in order to assess such external auditors' independence, all relationships between such external auditors and MFA. The Committee shall consult with MFA's management, its external auditors and/or personnel responsible for its internal audit function, as necessary, regarding this evaluation.

19. The Committee shall review and evaluate the qualifications, performance and independence of the lead partner of the external auditors, ensure that neither the lead partner nor the concurring partner of the external auditors serves, respectively, in that capacity for more than five years (or such other period as may be prescribed by rules and/or regulations of the NYSE, the SEC, the FASB or other similar governing bodies) and present its conclusions with respect to the independent auditors, including whether the audit firm itself should be changed periodically, to the Board.

20. The Committee shall meet with MFA's management and external auditors prior to commencement of the annual audit by such external auditors for the purpose of reviewing the scope and audit procedures of such audit, including special audit risk areas and materiality. The Committee shall also meet with MFA's external auditors subsequent to completion of that audit for the purpose of reviewing the results.

21. The Committee shall obtain and review any written reports issued by MFA's external auditors regarding all critical accounting policies and practices MFA uses or expects to use, all alternative treatments of financial information within GAAP that have been discussed with MFA's management, the ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the external auditors.

22. The Committee shall meet regularly, but in no event less than once every six months, with MFA's external auditors in executive sessions without MFA's management present. Among the items to be discussed at these meetings are the auditors' evaluation of MFA's financial, accounting and internal auditing personnel and the cooperation that the auditors received during the course of the audit, including any audit problems or difficulties, together with the responses of MFA's management thereto, any restrictions on the scope of such external auditors' activities and any disagreements with MFA's management. If applicable, such review may also include any accounting adjustments that were noted or proposed by such auditors but were "passed" (including similar adjustments that were passed because individually they were not material), any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement, any "management" or "internal control" letter issued, or proposed to be issued, by

such auditors to MFA and all other material written communications between the external auditors and the management of MFA.

E. Other Committee Activities

23. The Committee shall report to the Board on a regular basis.

24. The Committee shall serve as access for MFA's management, external auditors and internal auditors to the Board with respect to all matters within the scope of the Committee's duties.

25. In accordance with the applicable rules and/or regulations of the NYSE, the SEC, the FASB or other similar governing bodies, the Committee shall set clear policies for MFA's hiring of employees or former employees of MFA's external auditors. In addition, the Committee shall also conduct exit interviews with departing executive officers in order to evaluate MFA's corporate accounting and reporting practices.

26. The Committee shall establish, review and update periodically an orientation and training program for new Committee members, based upon the New Member Orientation Guidelines attached hereto as Exhibit A, and ensure continuing education and training for current Committee members.

A-4

27. The Committee shall conduct an annual evaluation of its own performance, including the performance of individual members, and confirm annually that all of the Committee's responsibilities set forth in this Charter have been performed.

28. The Committee shall annually review and assess this Charter. This Charter may be amended by the recommendation of the Committee and the approval of the independent members of the Board. All amendments will be reported to the Board.

IV. Complaint Procedures

Any issue of significant financial misconduct shall be brought to the attention of the Committee for its consideration. In this connection, the Committee shall establish procedures for (a) the receipt, retention and treatment of complaints received by MFA's employees and stockholders regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by employees of MFA of concerns regarding questionable accounting or auditing matters. The Committee shall investigate all matters brought to its attention within the scope of its duties, including the review of any significant fraudulent or illegal activities that may be discovered and any preventative action taken in response to such activities.

V. Committee Powers

In the course of fulfilling its responsibilities and duties, the Committee shall be empowered (a) to initiate, if warranted, an investigation of any special situation, (b) to retain outside legal, accounting or other advisors and consultants without seeking approval from the Board if, in the Committee's judgment, it is appropriate and (c) to delegate to one or more of its members any responsibility or duty of the Committee, which by its nature is not required to be performed by the entire Committee. MFA shall provide appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for payment of compensation to any external auditors employed to audit MFA's consolidated financial statements and any legal, accounting or other advisors and consultants employed by the Committee in carrying out its duties.

1. The Committee members are not employees or officers of MFA and are not directly involved in MFA's daily operations and they will not serve as members of the Committee on a full-time basis.

2. The Committee members expect MFA's management, external auditors and internal auditors to provide the Committee with prompt and accurate information, so that the Committee can discharge its duties properly.
